

What are Supports Coordination Services?

- Development and maintenance of an Individual Support Plan (ISP).
- Determining the need for services and developing "outcomes."
- Identifying and locating providers of services.
- Coordinating waiver services when funding is available.
- Ensuring services are received as outlined in the ISP.
- Ensuring health and safety of those receiving services.

Who is eligible for services?

- Adults and children with a diagnosis of intellectual developmental disability. Documentation of IDD must include an IQ of 70 or below.
- Eligibility for certain services is dependent upon income and asset requirements.

IDD Supports Coordination Services Goals

- To promote individuality, choice and control in consumer's lives
- To provide quality supports and quality information through monitoring of the health and safety of people receiving supports and services
- To link consumers to services, resources, and benefits

What services can be provided?

Services are based on an approved plan and can include the following:

Residential Services

- Community Homes
- Family Living/Life Sharing
- Supported Living

Day Services

- Adult Training Programs
- Vocational Rehabilitation
- Job Finding and Job Support

Home Based/Family Support Services

- Respite Care
- Individual Habilitation
- Minor Home Renovations

Intellectual Developmental Disability System Principles

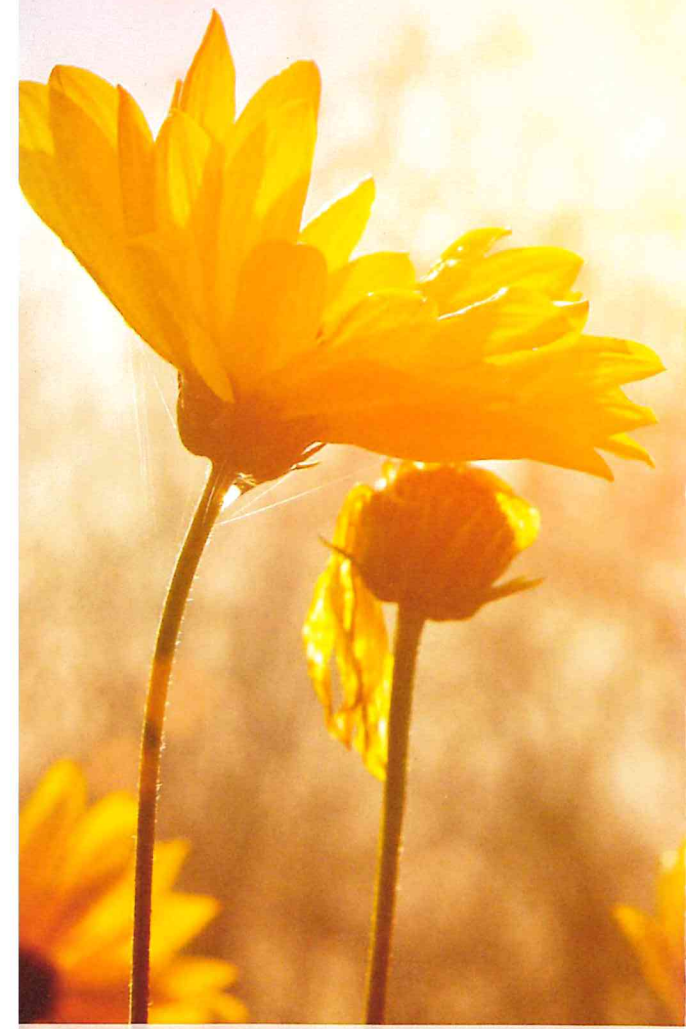

The Office of Developmental Programs (ODP) supports making "Everyday Lives" a reality for people we support. SAM, Inc. applies the following ODP principals to our services:

- Be provided in a person and family driven system
- Promote individuality, choice, and control
 - Ensure health and safety of all individuals
 - Be monitored for quality and satisfaction
 - Meet state and federal statutes to ensure continuity of funding for services

IDD Department Mission

The mission of the Intellectual Developmental Disability Department is to help individuals and their families effectively and efficiently utilize services and supports in accord with the values promoted by the Office of Developmental Programs philosophy of Everyday Lives.

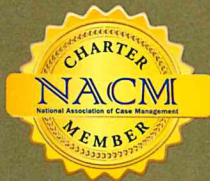

Our Mission

The mission of Service Access & Management, Inc., is to help people throughout our service area enhance the quality of their lives by effectively managing and/or providing needed, accessible and individually satisfying human services.

Our Accreditation

Our case management and crisis services have been accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF).
